Dear Parents and Carers,

Re: New vehicular access to the College

As part of Stage 1 construction, the following infrastructure has been established:

- New vehicular entry to the College
- Additional car parking
- "Kiss and Ride" drop off and pick up areas
- Access to Alvestor Close from the College service road

Please note the following important information:

- The new vehicular entry (Pacific Highway) is one way only. All vehicles using this entry must exit the campus via Alvestor Close
- The new entry will be open from 6:45am – 2pm and from 3:20pm – 5:00pm Monday to Thursday and 6:45am – 12pm and from 3:10pm – 4:30pm on Fridays.
- A "kiss and ride" section has been established on the new internal road.
- The "kiss and ride" sections are **not** parking areas and are only used to drop off and collect students.
- The existing vehicular entry will continue to operate as normal until the commencement of Stage 2 construction in December.

When entering the campus, please be aware that student safety is our number one priority. Please observe the above procedures, reduce your speed, and take every precaution to ensure the safety of pedestrians. In this regard, please be aware of the new pedestrian crossing on the service road between the College to the Roger Kennedy Centre and demountable classrooms.

If you have any questions regarding this matter, please do not hesitate to contact the College.

Thank you for your continued support.
