Principal's Message

Dear Parents, Carers and Community Members

Celebrating Catholic Schools Week

This week we have celebrated Catholic Schools Week. The theme this year is **"FULLY ALIVE"**. The theme aims to remind us that we are most alive when we are in touch with our inner lives, and can acknowledge deep connections between ourselves, God, others and creation.

The highlight of this week occurred on Wednesday when we had the privilege of welcoming the Grandparents of our Year 7 students and their parents/carers into our community; to participate in a liturgy celebrating the gift of Grandparents, sharing in the development of their grandchildren as expressions of God's love. A love that is nurturing, life-giving, life-affirming and empowering of their grandchildren as "fully alive" young people with the capacity to reach out to others in a spirit of love, mercy and generosity.

The liturgy, which was led by our Year 7 students, was followed by a celebratory morning tea prepared and catered for by our Food Technology and Hospitality students. Grandparents, accompanied by their grandchildren, were then led on a tour of the College guided by the members of our Student Pastoral Council. Our role as parent and teacher educators is to empower our young people to be "fully alive" individuals who are symbols of God's love because they have been educated by their grandparents, parents/carers and teacher support staff and teachers to be committed to living a way of life based on love and service.

The empowerment of our students as servant leaders continued in the afternoon when members of the Student Pastoral Council and Student Leaders in the College accompanied groups of parents/carers and visitors to the College for a tour of inspection. The students provided a most in-depth and informative commentary, on the functioning of our community, which was appreciated by our visitors.

A highlight of our Diocesan Catholic School Week celebrations will occur next week when schools from across the Diocese will gather in the Sacred Heart Cathedral for a celebration of a Catholic Schools Week liturgy. It is a special time of gathering. It is a time when we gather to give witness to the fact that as Catholic schools our educative purpose is centred on the teachings and vision of Jesus. A vision completely focussed on the dignity of the individual and the promotion of the fullness of being of each person. A vision calling people to a life based on love and service.

Our College motto: "Ready to Serve" is a call to our students, indeed to all community members, to strive to be "fully alive" people through a life committed to love and service. Congratulations extend to students and staff who witnessed to this reality in a profoundly positive manner this week.

Year 10 Student Wellbeing

On an overcast, rainy Monday morning we made the short trip to Redhead Beach Surf Club for our Formation Day. The focus was on leadership including making positive choices.

Chris Doyle was our guest and had students singing, strutting the catwalk and engaging in numerous activities. Feedback from the students has been overwhelmingly positive and many have asked if another day with Chris can be organised.

Feedback from Chris was excellent and he commended the students on their participation and thoughtfulness during the day. He communicated with the students that they will be great leaders for the College and leave a lasting legacy. Chris reported that he would enjoy working with the group again. Watch this space!

I would like to thank **Ms Annette Morgan** for organising the use of the facilities at Redhead together with **Ms Anna Matthews, Ms Tracey Flack, Mr Andy Smith, Mr Andrew Burke, Mr Kyle Clarence** and **Mr Cameron Anderson** for their supervision and participation on the day.

English Faculty News

by Mia Bartley, Year 11

From studying the gothic genre to diving deep into the labyrinthine mind of Sylvia Plath, Extension English is a course that explores a wide range of deep concepts and challenging texts whilst providing you with the freedom to explore texts and ideas that fascinate you, all with the help of the English faculty. Thus far, our class has had the incredible opportunity of delving into *Jane Eyre* by Charlotte Brontë, expanding our knowledge of

the text with an exploration of the historical context of the Victorian era. After a deep analytical study of the novel, our intrepid Extension class trekked to the Civic Theatre in Newcastle to see *Jane Eyre* live! On Saturday the 14th of May, we met to see the novel we have all come to love emerge with a new interpretation on stage. It did not disappoint!

Currently, we are undertaking our independent research projects and the benefit of this part of the course is the opportunity to pursue our own avenues of interest and passion. Whilst we are all still in the early stages of our project, there is much deep thought and research as we explore our concept and texts. It is no secret that Extension English is a great course in that it provides freedom, knowledge and most importantly, joy!

Landcare

A new native garden was planted last week behind the senior courtyard. Well done to the Landcare team for their amazing effort with planning and planting of over 25 well advanced natives. Mulch is on its way!

VET Faculty

Year 12 Construction

Year 12 VET Construction have been undertaking Events in Carrying out Measurements and Calculations and Using Carpentry Tools and Equipment. These Events required students to work collaboratively to construct a Mud Kitchen for a local day-care facility. Once the project was completed, **Levi Briggs** and **Jaysen Lindsey** assisted Mr Crispin in the delivery of the Mud Kitchen. Upon delivery to the facility, the children asked multiple questions with our students willing and eager to respond. Since delivery, the facility has provided positive comments stating the constant use of the Mud Kitchen through role-playing and how excited and engaged the children are.

Careers Corner

Our Year 10 and 12 students attended the annual Newcastle and Lake Macquarie Careers Expo last Thursday. They had the opportunity to speak with a variety of exhibitors from universities, TAFE, private providers, ADF and employers. It was great to see so many of students taking responsibility for their future pathways by engaging with the exhibitors.

White Card

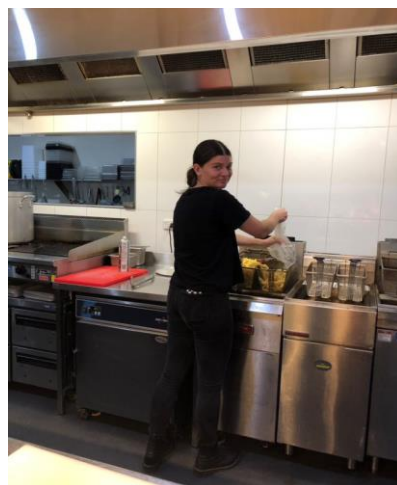

We had two groups of students from Year 10 and 11 successfully complete their white card in Week three. The students committed themselves to the day and the College received positive feedback from the Registered Training Organisation about their behaviour and engagement.

Year 11 and 12 Hospitality

This term has already seen our Year 11 and 12 Hospitality students complete their mandatory work placement. The experience of work placement provides opportunities for our students. We had 3 Year 12 students and 1 Year 11 student receive an offer for an apprenticeship and 1 Year 11 student receive an offer for a part time position.

These offers need to be acknowledged and celebrated as our students are great ambassadors for our school. Our students are well supported by our Hospitality teacher **Mrs Edwards**, who proudly sent a message after visiting our students on work placement stating: "It's great to have such positive reports about our kids and smiling faces."

Girls Talk ... A must attend for female engineers of the future!

The Engineers Australia Newcastle Division would like to invite any female students interested in STEM to attend a free online event: **Girls Talk on Thursday 2nd June from 4.30pm – 5:30pm.**

Come along to Girls Talk where you'll hear from eminent local female engineers. They'll share stories and experiences on projects they've worked on, give snapshots of their daily engineering life, and explain what inspired their career in engineering. We've also invited a panel consisting of representatives from the University of Newcastle and TAFE NSW! Make sure you bring along any burning questions you may have on your potential future in Engineering!

This **FREE** event is open to all female students from years 7-12, parents and teachers are also welcome to attend. To register, please [visit here](https://cvent.me/bn9azE) (<https://cvent.me/bn9azE>), or scan the QR code below:

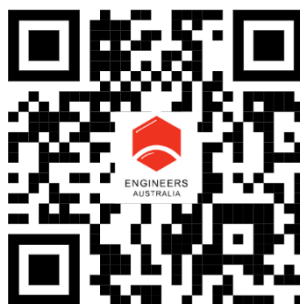

Discover Engineering ... Set yourself up for your own unique pathway into an Engineering career!

The Engineers Australia Newcastle Division would like to invite high school students interested in a career in Engineering to attend a free online event **Discover Engineering on Thursday 23rd June from 4.30pm – 5:30pm.**

Join in our Discover Engineering forum session to gain insight into the different pathways to a career in Engineering. You will be hearing from all different members of the engineering team (Professional, Associates and Technologists) about how they have reached where they are today. We have also invited a panel consisting of representatives from 3 different universities as well as TAFE NSW, so bring along any burning questions you may have about engineering courses and enrolment.

This **FREE** event is open to all students from years 7-12, parents and teachers are also welcome to attend. To register, please [visit here](https://cvent.me/XDEmkr) (<https://cvent.me/XDEmkr>), or scan the QR code below:

CREATIVE ARTS NOISE!

Senior Showcase:

On Monday the 23rd of May, our Senior Students delighted our school community with their various Musical gifts. Our Senior Showcase evening was an opportunity for our students in Years 10 - 12 to show their friends, families and other community members, all that they have been working on this year. We were privileged to listen to not only the upcoming group performances that will be featuring at this year's Diosounds, but also the HSC pieces our Year 12 students have been diligently developing for their fast approaching Music Examinations.

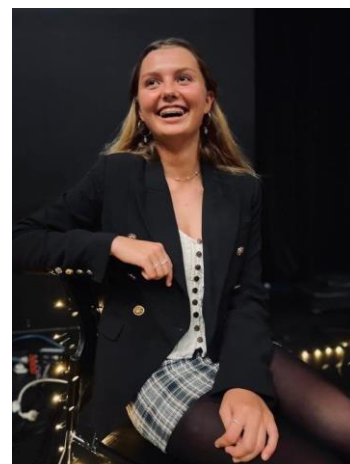

If you missed out on seeing this wonderful display of talent from our students, you can catch them in action in Diosounds at the Newcastle Civic Theatre on the 2nd of June, tickets are available from the Civic Theatre Website. Also, got a thirst for even more music? We have our Junior Showcase coming up in June so keep your eyes and ears peeled for the details.

ASPIRE Songwriters: Also, we would like to once again congratulate Year 9 Student, Macy Nash, on her success in the ASPIRE Songwriting Competition. We wish you all the best for your upcoming recording session!

TAS FACULTY – HSC MARINE STUDIES

Year 12 Marine Studies Excursion

Our Year 12 Marine Studies class finally got the opportunity for their Marine Excursion on the last days of Term 1. Camping is always fraught with danger around Easter time and this year was certainly no exception with over 50mm of rain falling over the few days while at the beautiful Port Stephens. Unfortunately, a number of scheduled activities had to be cancelled due to the weather and intense swell however the students came home with some wonderful memories.

The highlight for the students was the opportunity to snorkel and feed the rays and sharks at Irukandji Shark & Ray centre. Later in the afternoon our attempts to catch some fish failed and our much-anticipated trip to Broughton Island had to be postponed until later in the year.

WHAT IS NATIONAL RECONCILIATION WEEK?

National Reconciliation Week (NRW) is a time for all Australians to learn about our shared histories, cultures, and achievements, and to explore how each of us can contribute to achieving reconciliation in Australia.

The dates for NRW are the same each year; **27 May to 3 June**. These dates commemorate two significant milestones in the reconciliation journey— the successful 1967 referendum, and the High Court Mabo decision respectively.

27 May 1967 On this day, Australia's most successful **referendum** saw more than 90 per cent of Australians vote to give the Australian Government power to make laws for Aboriginal and Torres Strait Islander people and recognise them in the Census.

3 June 1992 On this day, the Australian High Court delivered the Mabo decision, the culmination of Eddie Koiki Mabo's challenge to the legal fiction of 'terra nullius' (land belonging to no one) and leading to the legal recognition of Aboriginal and Torres Strait Islander peoples as the Traditional Owners and Custodians of lands. This decision paved the way for Native Title.

Reconciliation must live in the hearts, minds and actions of all Australians as we move forward, creating a nation strengthened by respectful relationships between the wider Australian community, and Aboriginal and Torres Strait Islander peoples. (from Reconciliation Australia website). To help us better understand Reconciliation Week here at St Mary's we are looking at Wiradjuri man, Stan Grant's family story. The students then investigate their own heritage story. Students are asked which 'story' are you from:

- **Our Indigenous Dreaming story;**
- **The British Colonisation story;**
- **Or our rich Migration story?**

During Religion lessons students in Years 7-10 will investigate their own story and share this as a mini poster to display.

Year 7 students have already created an impressive display in the Josephite Centre as part of Grandparents Day celebrations.

Library Matters

Phew, thank goodness for second chance draw! On Tuesday we played against Warners Bay High School in the **NSW Secondary School Chess Competition**. They were very strong and came out victorious. But we are still in there with a chance, as we now go into the second chance draw. Stay tuned for the next exciting encounter.....

Warners Bay High and **Greg Fabrikanov, Joseph Hogan, Daniel Ollerton and Ethan Blackmore** (who had headed back to class before the photo was taken).

The St Mary's Trivia comp is on next week – 1st June. We need more teams, please bring some students / staff together and join us for the Australiana Trivia Comp.

POPE FRANCIS' FIVE FINGER PRAYER

Prayer

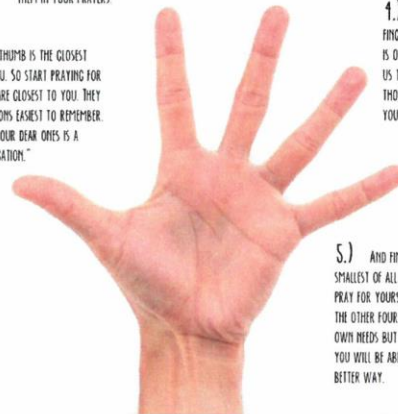

1.) THE THUMB IS THE CLOSEST FINGER TO YOU. SO START PRAYING FOR THOSE WHO ARE CLOSEST TO YOU. THEY ARE THE PERSONS EASIEST TO REMEMBER. TO PRAY FOR OUR DEAR ONES IS A "SWEET OBLIGATION."

2.) THE NEXT FINGER IS THE INDEX. PRAY FOR THOSE WHO TEACH YOU, INSTRUCT YOU AND HEAL YOU. THEY NEED THE SUPPORT AND WISDOM TO SHOW DIRECTION TO OTHERS. ALWAYS KEEP THEM IN YOUR PRAYERS.

3.) THE FOLLOWING FINGER IS THE TALLEST. IT REMINDS US OF OUR LEADERS, THE GOVERNORS AND THOSE WHO HAVE AUTHORITY. THEY NEED GOD'S GUIDANCE.

4.) THE FOURTH FINGER IS THE RING FINGER. EVEN THAT IT MAY SURPRISE YOU, IT IS OUR WEAKEST FINGER. IT SHOULD REMIND US TO PRAY FOR THE WEAKEST, THE SICK OR THOSE PLAGUED BY PROBLEMS. THEY NEED YOUR PRAYERS.

5.) AND FINALLY WE HAVE OUR SMALLEST FINGER, THE SMALLEST OF ALL. YOUR PINKIE SHOULD REMIND YOU TO PRAY FOR YOURSELF. WHEN YOU ARE DONE PRAYING FOR THE OTHER FOUR GROUPS, YOU WILL BE ABLE TO SEE YOUR OWN NEEDS BUT IN THE PROPER PERSPECTIVE. AND ALSO YOU WILL BE ABLE TO PRAY FOR YOUR OWN NEEDS IN A BETTER WAY.

Items for personal hygiene can be donated as well such as Wipes, Toothbrush and toothpaste, Hand sanitizer, Body lotion, Feminine hygiene products, Deodorant and Soap. Any donation like these will help make someone happy this winter and any donations are appreciated.

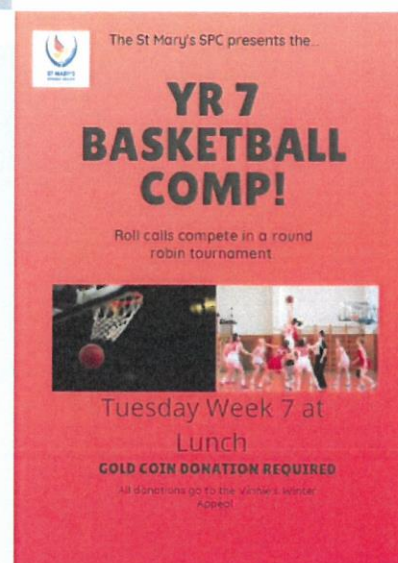

Each rollcall group has their own bag for collecting items for Vinnies.

Thank you for your generosity!

Year 7 Basketball Competition

Sonny Matzen-Year 7 SPC

Starting in Week 7, Year 7 students will have the opportunity to play in a mixed basketball round robin competition. This will take place every Tuesday at lunch time, in the Josephite Centre. Each roll call class will enter a mixed team and will be competing against other roll call classes. This tournament aims to bring the Year 7 students closer to one another and the community. On the final Tuesday in Week 10, students will be asked to bring a gold coin donation which will go towards the Vinnie's Winter Appeal. We will also celebrate the tournament with an end of competition pizza party for all Year 7 players and spectators. We hope all Year 7s are able to participate in this event.
